President's message.

Many of our Members have been away for winter holidays already and when you read this Barrie and I will be enjoying a short stay at Margaret River with our Son and his family. I'm sorry to miss our upcoming Tuesday Lunch at the Old England Hotel, and Afternoon Tea at Giselle's, and the Committee Meeting (which Betty Laughton will ably Chair) But I will be back for the General Meeting on 3rd October.

At our September Meeting we were able to welcome 4 Visitors and hope they enjoyed their time with us and might wish to return. Our Speaker Craig Steel gave a very interesting talk on Audiology which gave us some very helpful hints for our hearing options.

Our Walk was to Petty's old Orchard (no surprises there for Barrie and me because we were both born into orchardist families). Our Outing tomorrow is to the Immigration Museum which I'm sure will be very worthwhile.

Our Christmas Lunch will again be held upstairs at Diamond Creek Hotel with a small increase in cost \$55 per head which includes a 2 course Lunch, your Committee have decided to fund the cost of the tea/coffee table and bread rolls w. butter. You will also again have shortbread biscuits and chocolates. Drinks at bar prices but lime cordial is supplied.

A form will be on the back table at the October and November Meetings, so please sign asap if you are planning to attend. We have already paid a Deposit \$500 and must pay in full before Friday 22nd November.

Your payments into the Club Bank Account must be made by >>>>> >>>>> **Monday 18th November** >>>>> no refunds after that.

Joke time: I wonder what my parents did to fight boredom before the internet I asked my 17 brothers and sisters, and they didn't know either.

Yours in Friendship, Rae.

Committee Members required.

As the time to re-elect our committee for 2025 is approaching, please give some thought on becoming a committee member.

Our club cannot function without a committee, we need more members to step up and help by joining our Management Team.

It is not a time-consuming activity; the Committee meet for approx two hours every month and if further communication is required it is done via Email or Telephone.

If you are considering joining our Committee for 2025 please speak to our President, Secretary or any Committee Member.

We do require a Minutes Secretary, this would involve attending the Committee Meetings and the General meetings, taking the Minutes, typing them up and giving to the Secretary, if you are interested in doing this please speak to Ian.

Example of the fun our committee has at its meetings:

JUDY'S CROCHET RUGS

Judy would appreciate any donations of wool to enable her to keep making the rugs which are regularly donated to charity.

Don't leave anything for later.
Later, the coffee gets cold.
Later, you lose interest.
Later, the day turns into night.
Later, people grow up.
Later, people grow old.
Later, life goes by.
Later, you regret not doing something...

PLAY 5: AN IDEAL HUSBAND

by Oscar Wilde
directed by Tim Scott
Laughs a Plenty in this Oscar Wilde Classic

Sir Robert Chiltern has it all: money, influence and a beautiful wife. What could possibly go wrong?
Then the arrival in his London house of a woman who knows

secrets from his past threatens to expose him to public shame and bring an end to both his stellar political career and his blissful marriage.

But, with colourful and intriguing characters, and with love hovering, comic possibilities abound and farce is just a closed door away. *An Ideal Husband* takes a delightfully satirical look at the political and social world of upper-class London in the 1890s.

POLICE REPORT.

BEWARE OF A PIECE OF PAPER ON THE BACK WINDOW OF YOUR VEHICLE (A NEW WAY TO DO CARJACKING!) (NOT A JOKE!)

Heads up everyone! Please, keep this circulating.

You Walk across the parking lot, unlock your car and get inside. You start the engine and shift into reverse.

When you look into the rearview mirror to back out of your parking space, you notice a piece of paper stuck to the middle of the rear window. So, you shift into Park, unlock your doors, and jump out of your car to remove that paper (or whatever it is) that is obstructing your view.

When you reach the back of your car, that is when the carjackers appear out of nowhere, jump into your car and take off. They practically mow you down as they speed off in your car.

And guess what, ladies ? I bet your purse is still in the car!

So now the carjacker has your car, your home address, your money, and your keys. Your home and your whole identity are now compromised!

BEWARE OF THIS NEW SCHEME THAT IS NOW BEING USED.
